◆ FEATURED PERFORMANCE ◆

FOR VALUE AND SECURITY...THE AUDIENCE CALLS FOR AN ENCORE!

Every Encore door is manufactured using quality hot dipped galvanized steel combined with a multi-layered rust protection and finished with a durable exterior polyester topcoat. Encore doors add curb appeal to your home and are guaranteed to work as good as they look.

Coating

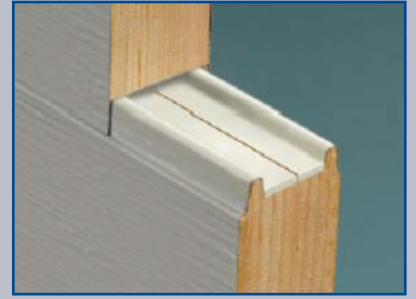

Exterior and interior door skins receive a five (5) coat steel protection.

Insulation

Solid core polystyrene foam insulation that will provide a stable R-Value of 8.4 over the life of the product.

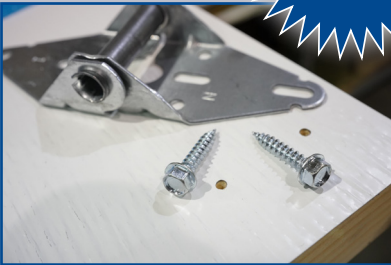

Joints

Roll-formed tongue and groove section joints create a strong door structure and element resistance.

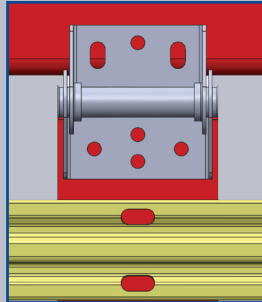

Pre-drilled

NEW
ADVANTAGE

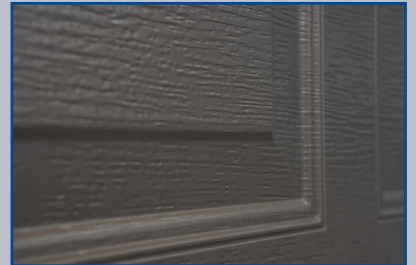

Convenient, pre-drilled holes for on-door hardware to make door installation accurate and easier.

Plate

16 gauge steel backup plates with an extended plate to attach the strut and pre-drilled holes for hinges.

Finish

A deep, rich wood-grain finish provides a perfect combination of strength and beauty for all conditions and environments.

Canada's First!

WE ARE CANADA'S FIRST MANUFACTURER OF
LAMINATED, TWO SIDED STEEL INSULATED GARAGE DOORS!

HARDWARE TO MATCH

Lynx Industries, Inc. manufactures its own hardware components, ensuring you receive quality products that are made specifically for the door you are purchasing.

◆ ENCORE DETAILS ◆

- *Decorative Glass Options*

Encore doors are available with many choices of decorative glass and inserts. Please ask a representative for options.

- *Polystyrene Core*

Each panel is insulated with a 1 ^{3/4}" expanded polystyrene core which provides an R-Value of 8.4.

- *Wood End Stiles*

Wood end stiles create a thermal break and support for the end hinges, top brackets & bottom brackets.

- *Weatherstrip*

Our bottom seal provides all-weather protection from the elements.

- *Seamless Joint*

Seamless roll-formed tongue-and-groove section joints prevent the infiltration of wind, rain, and snow.

Quality. Value. Beauty. Security.

FLUSH (WGR) SERIES, Long Acid-Etched Windows, White

3600 SERIES, Sunburst Inserts, White

Limited 15 Year Plus Warranty for Residential Doors: Model Encore 3600, 4800 & Flush series

Lynx Industries warrants the Encore 3600, 4800 & Flush insulated garage doors for fifteen (15) years against rust due to manufacturer's defects. This limited warranty excludes damage caused by exposure to weather, chemicals, improper installation, negligence or circumstances beyond the control of Lynx Industries.

Lynx Industries warrants the Encore 3600, 4800 and Flush insulated garage doors for fifteen (15) years against structural failure due to delaminating of foam insulation or rotting of wood blocks. This warranty is limited to residential installations and is non-transferable.
